DOCKET ENTRY

Filed Date	Docket Entry / Filer	Representing	Participant Type	Exit Date
September 30, 2015	Order Filed McCullough, Patricia A.			10/01/2015
	Document Name: upon consideration of the parties' joint			
	Comment: application for relief, it appears that these actions are appeals from the trial court's order granting a stay of the effect of a Township ordinance pursuant to Section 1003-A of the Pennsylvania Municipalities Planning Code, 53 P.S. §11003-A. It further appears that appellants have appealed the stay order, asserting it has the practical effect of granting a preliminary injunction and is therefore appealable pursuant to Pa. R.A.P. 311.			
	Following the certification of the record to this Court, the trial court scheduled an argument on the merits of the underlying land use appeal. See Pa. R.A.P. 311(h) (providing that Pa. R.A.P. 1701(a), which prohibits a trial court from proceeding further in a matter after an appeal is taken, is not applicable when interlocutory appeal as of right is taken from an order granting an injunction). However, the parties aver that the trial court canceled the hearing because the trial court required "the full hard copy record to consider the case." (Joint application for relief at paragraph 6.)			
	The parties now ask this Court to remand the certified record to the trial court so the trial court can "rule on the merits of Appellees' land use appeal in advance of this Court's consideration of the appeal from the stay order." (Joint application at paragraph 13.) In light of the parties' agreement to remand the certified record in this action and the trial court's expressed desire to utilize the certified record from the stay proceedings in its disposition of the land use appeal, the joint application for relief is granted. The Chief Clerk is directed to remit the certified record to the trial court.			
	It appearing, however, that this Court will be unable to perform its appellate function in the absence of the certified record, these consolidated actions shall be stayed pending the trial court's return of the certified record to this Court. The parties shall file a status report with this Court within 30 days of the trial court's disposition of the land use appeal or by December 30, 2015, whichever is earlier.			
	Jurisdiction retained.
