Comments:

This appeal does not resolve the ultimate issues challenging the constitutionality of the Coverage Exclusion under the Pennsylvania Constitution. In response to the issues raised in the appeal, we reverse the January 28, 2020 order of the Commonwealth Court granting intervention, and we reverse the March 26, 2021 order of the Commonwealth Court sustaining the preliminary objections of DHS and dismissing the petition for review. We remand to the Commonwealth Court for further proceedings consistent with the mandate contained in Part IV of this opinion.

Justice Wecht joins the opinion.

Justice Wecht files a concurring opinion.

Chief Justice Todd files a concurring and dissenting opinion.

Justice Dougherty files a concurring and dissenting opinion.

Justice Mundy files a concurring and dissenting opinion.

Justice Brobson did not participate in the consideration or decision of this matter.
