Document Name: Application to Strike Agency Respondents' Brief Denied/ Assoc. Intervenors' Brief due 10/24/2024

Comment: NOW, October 10, 2024, upon consideration of the September 20, 2024 "Motion to Strike or, Alternatively, for Enlargement of Time" (Motion) filed by the Pennsylvania Independent Petroleum Producers Association, the Pennsylvania Independent Oil and Gas Association, and the Pennsylvania Grade Crude Oil Coalition (together, Association Intervenors), this Court enters the following Order:

In the Motion, Association Intervenors object to the filing of the September 6, 2024 "Brief in Opposition to Association Intervenors' Preliminary Objections to the Amended Petition for Review" by the Department of Environmental Protection, the Environmental Quality Board, and Jessica Shirley, in her capacity as Secretary of the Department of Environmental Protection and Chair

of the Environmental Quality Board (together, Agency Respondents) on the basis that the Association Intervenors' Preliminary Objections were filed to the Clean Air Council, Earthworks, Citizens for Pennsylvania's Future, Protect PT, and Sierra Club's (together, Petitioners) Amended Petition for Review in accordance with Pa.R.Civ.P. 1028 and that, because the Amended Petition for Review is a pleading filed by Petitioners, not Agency Respondents, the Rules of Civil Procedure do not authorize parties other than the Petitioners to file a pleading in response to the Association Intervenors' Preliminary Objections. Further, Association Intervenors state that Agency Respondents did not seek leave of this Court to file their brief. As such, Association Intervenors request that Agency Respondents' September 6, 2024 brief be stricken. In the alternative, Association Intervenors ask that, if this Court does not strike Agency Respondents' brief, that they be granted 14 days to file a reply brief.

Upon review, that part of the Motion seeking to strike Agency Respondents' September 6, 2024 brief is DENIED. That part of the Motion seeking leave to file a reply brief is GRANTED. Association Intervenors are directed to file four copies of a brief in reply to Agency Respondents' September 6, 2024 brief, and serve one copy on all parties, on or before October 24, 2024.

The Court further notes that, on July 31, 2024, Agency Respondents filed an "Application to Report the Court's July 1, 2024 Opinion" (Application to Report), which Opinion and Order denied the Pennsylvania Senate Majority Leader Senator Joe Pittman, the Pennsylvania Senate Republican Caucus, Pennsylvania House Minority Leader Representative Bryan Cutler, and the Pennsylvania House Republican Caucus's (together, Legislators) Application for Leave to Intervene, and on August 15, 2024 Legislator Intervenors filed an "Application for Leave to File

Amici Brief" in opposition to the Application to Report. The parties are advised that the Court will refrain from ruling these Applications while Legislators' Notice of Appeal, which seeks review of the July 1, 2024 decision, is pending before the Supreme Court.

Comment: NOW, January 2, 2025, upon consideration of the Emergency Application for Stay of Proceedings (Application) filed by Senate Majority Leader Joe Pittman, the Senate Republican Caucus, House Minority Leader Bryan Cutler, and the House Republican Caucus (Legislators), which seeks a stay of the proceedings in this Court pending a final order of the Pennsylvania Supreme Court in the matter docketed at 59 MAP 20241 regarding Legislators' appeal of the July 1, 2024 Order of this Court which denied Legislators' Application for Leave to Intervene, this Court issues the following Order:

Petitioners filed an answer in opposition to the Application on December 18, 2024. On December 26, 2024, Agency Respondents also filed an answer in opposition. On December 30, 2024, the Pennsylvania Independent Petroleum Producers Association, the Pennsylvania Independent Oil and Gas Association, and the Pennsylvania Grade Crude Oil Coalition (together, Association Intervenors) filed an answer stating that

although the Supreme Court denied proposed Legislator Intervenors' Application to Expedite Briefing and Argument, it nevertheless established a briefing schedule and expressly stated the denial was "without prejudice to seek a stay" of this action. Association Intervenors believe this reflects the Supreme Court's view that a stay of the instant proceedings is warranted and appropriate while it considers the merits of proposed Legislator Intervenors' appeal.

(Association Intervenors' answer, ¶ 48).

Upon review, this Court agrees with Association Intervenors that the Supreme Court's actions indicate that a stay of the proceedings in this Court is appropriate while it considers the merits of Legislators' appeal. Accordingly, Legislators' Application is GRANTED. Further proceedings in this Court are hereby STAYED pending resolution of Legislators' appeal before the Supreme Court.

1 The Supreme Court issued an Order on November 19, 2024 which denied Legislators' application for expedited briefing and argument without prejudice to seek a stay of the proceedings in this Court. We note that argument has not yet been scheduled in this Court on the pending preliminary objections.

Neither the Appellate Courts nor the Administrative Office of Pennsylvania Courts assumes any liability
for inaccurate or delayed data, errors or omissions on the docket sheets.

September 8, 2026	Order Denying Application for Relief Per Curiam			09/08/2026

Document Name: Application for Case Management Order is Denied

Comment: NOW, September 8, 2026, upon consideration of the July 14, 2026 "Application of Petitioners for Case Management Schedule" (Application) filed by Petitioners Clean Air Council, Earthworks, Citizens for Pennsylvania's Future, Protect PT, and Sierra Club, the July 28, 2026 response filed by the Agency Respondents, and the July 28, 2026 answer filed by Association Intervenors the Pennsylvania Independent Oil & Gas Association, Pennsylvania Independent Petroleum Producers Association, and Pennsylvania Grade Crude Oil Coalition, this Court issues the following Order:

Petitioners and Agency Respondents both want this Court to issue a case management schedule with deadlines for discovery and a briefing schedule.

However, they disagree as to the dates for such a schedule. Association Intervenors are opposed to the case management schedules proposed by the other parties based on the fact that they plan to file a motion for judgment on the pleadings, which they believe may resolve the issues raised by this litigation.

Upon review, the Court agrees that a case management schedule with discovery deadlines would not be appropriate at this time if a motion for judgment on the pleadings is filed by Association Intervenors. Accordingly, Petitioners' Application is DENIED at this time. Association Intervenors may file a motion for judgment on the pleadings, and a brief in support of that motion, within 30 days of the date of this Order. Briefs in opposition may be filed within 30 days of the filing and service of the motion for judgment on the pleadings and the brief in support of that motion. Reply briefs may be filed and served in accordance with Pa.R.A.P. 2185.

In the event this action is not fully and finally resolved by the motion for judgment on the pleadings, the parties are directed to confer and propose a Case Management Order for completing discovery, holding an evidentiary hearing, if necessary, and/or filing dispositive motions. Any proposed Case Management Order shall be filed within 30 days of any decision by this Court denying Association Intervenors' motion for judgment on the pleadings.

Document Name: Association Intervenors may file the motion and brief in support by October 28, 2026

Comment: Upon consideration of the October 5, 2026 unopposed letter request for an extension of time (Request) filed by Association Intervenors the Pennsylvania Independent Oil & Gas Association, Pennsylvania Independent Petroleum Producers Association, and Pennsylvania Grade Crude Oil Coalition, which requests a 20-day extension of time to file a motion for judgment on the pleadings and brief in support, the request is GRANTED. The motion and brief were due on October 8, 2026. Accordingly, Association Intervenors may file the motion and brief in support on or before October 28, 2026. Briefs in opposition may be filed within 30 days of the filing and
